

VZ-200 SOFTWARE

Little Packer. This is a version of Pacman with the player having to move around the screen munching dots. There are four ghosts in the maze who track and try to eat you. If you eat one of the four pills around the maze, the roles temporarily change and you become the hunter. When you have eaten most of the dots, a gate appears. Colour, sound and on-screen scoring. Joystick or keyboard option.

SEND S.A.E. FOR LATEST CATALOGUE.

If you have any marketable quality VZ-200 programs which you would like us to market, write to us for terms.

VZ-200

NOW THERE IS A
MAGAZINE
ESPECIALLY FOR YOU!!!

VZ-200

For over four years **MICRO-80** magazine has been helping owners of System 80 and TRS-80 computers to get the most from their computers, publishing literally hundreds of new programs, dozens of articles on programming techniques and how-to-do-it hardware modifications, solving readers' problems, reviewing commercial programs and revealing the inner secrets of their computers.

Now **VZ-200** owners have the opportunity to join this select group. As from Issue 7, Volume 4, **MICRO-80** magazine will also cater for the VZ-200 user. You can look forward to the same high standard of support our other readers enjoy. Our first VZ issue contains two VZ-200 programs plus an article describing how you can unlock three hidden commands inside your machine to speed up your programming. Much more is to follow.

We have saved the best news 'til the end — A 12 ISSUE SUBSCRIPTION TO **MICRO-80** MAGAZINE COSTS YOU ONLY \$36.00 DELIVERED TO YOUR HOME. Don't delay, send a cheque, money order or your BANKCARD number and expiry date today to ensure you are a foundation VZ-200 subscriber.
